

**ADDITIONAL PRICE  
FUEL REMAINING ON PREMISES**

The following shall be considered a legally binding amendment to the agreement made between \_\_\_\_\_ and \_\_\_\_\_, dated \_\_\_\_\_, for the sale of \_\_\_\_\_:

Purchaser, at the close of the transaction, will pay for all fuel remaining on the premises, at the market price then accepted. The market price shall be determined by a certificate from the dealer who regularly supplies the fuel to the premise. The quantity will be determined by the inspection and estimate of the same dealer.

The price paid for the fuel will be in addition to the purchase price of property and must be paid on the same transaction date.
